

Warren Here Friday; Antioch vs. Grayslake In Regional Monday

Win Over Warren Needed For Second Place in Conference

A large crowd will go to Libertyville Monday evening to cheer Antioch High to victory over Grayslake in the first round of regional play. The Antioch-Grayslake game will be the second of the evening, starting at 8:30 p. m.

Barrington will play Wauconda in the first round, and if Antioch should beat Grayslake, she probably will play Barrington, who is expected to win easily from Wauconda.

Antioch High will bring her regular basketball season to a close tomorrow evening in what is expected to be a real battle with the conference leading Warren Blue Devils on the Antioch court.

Warren will hold the conference championship win or lose by reason of her victory over Grayslake last Friday night 92-54. The Rams either had an off night or the Blue Devils were back in their usual stride. Their total points for the year erased the Antioch standing record of 1954-1955.

The Sequoits must win this game to tie or hold second place with Grant. Both have won 9 and lost 4.

While Grant was downing Wauconda 73 to 62 Friday, Antioch managed to slip by Lake Forest 50 to 49 at the Scout hall.

The Sequoits took an early lead (continued on page 12)

Wilmot Wins Opener From Sharon 96-34; To Play Williams Bay

Wilmot High School won the right to play Williams Bay Friday in the sub-district basketball tournament by winning last night from Sharon by the lopsided score of 96 to 34.

The winnerless Wilmot team throughout the regular season, came to life in a big way and soon outdistanced the guests.

In the first game Wilmot won from Genoa City 64 to 35. Wilmot will next play Clinton, which like Williams Bay drew a bye in the first round.

Winners of Friday's games will meet in the final Saturday.

Toft Property On Route 59 Re-zoned At Hearing Tues.

Property of Peder Toft on Route 59, near the Louis J. Nielsen corner of route 59 and Grass Lake road was re-zoned from Farming to B-1 Business at a special hearing of the Lake County Zoning Board of Appeals Tuesday, February 25.

The meeting was held in the American Legion Home, and no objections were voiced. Type of business to be established on the property has not been announced.

National Association To Award Certificate To Margaret Moorman

Mrs. Margaret L. Moorman, executive secretary at the Antioch Township High school, has completed the requirements for a Grade III Certificate in the Professional Standards Program of the National Association of Educational Secretaries, a department of the National Education Association.

To be awarded at the banquet session of the NAES annual convention in Boulder next July 12, this certificate is an honorary recognition of merit and achievement in her profession.

Mrs. Moorman has been commended by her colleagues for her awareness of and interest in the problems in the field of education today, and for her support of her professional associations.

Attend Vocational Meeting
Several high school teachers are in St. Louis attending the Illinois Vocational Association convention which is meeting Thursday, Friday and Saturday at the Sheraton-Jefferson Hotel there. They are Mrs. Dorothy Romoser, home economics teacher; Melvin Stillson, head of the industrial arts department; and Warren Polley who represents the business education department.

\$700 for Heart Fund
Mrs. Roger Williams, chairman of the Heart Fund, committee in Antioch announced that \$700 was raised Sunday from Antioch township for the fund.

Junior Band Players To Entertain Parents

Junior band members will present the program at the regular meeting of the Antioch Grade School Band Parents Assn. at 8 p. m. Monday at the school.

Special duets will be: saxophone—Harleen Young and Barney Van Patten; oboe—June Behrens and Betty Ford.

Frank S. Erhardt, Karleen Rockow and Jim Dupre will play a trumpet trio.

Refreshments will be served by the mother of the month, Mrs. Charles Wysoglad.

Rev. Wallace Anderson, New Methodist Pastor To Begin on March 16

The Rev. Wallace Anderson of Forest Park has been assigned as pastor of the Antioch Methodist church to succeed the Rev. Howard C. Benson who was assigned to the Hoffman Estates near Palatine to organize a new church.

The Rev. Mr. Anderson will begin his ministry here Mar. 16. He plans to attend Lenten suppers before that to become acquainted with his parishioners.

A graduate of Garrett Seminary in 1945, Mr. Anderson has been in the ministry 17 years. He has been at Forest Park Methodist church for four years. His family comprises his wife, Luella, and two sons; Bernard, a high school freshman, and John, a sixth grade pupil.

Mr. Anderson said that he may be called at Forest Park if needed. The Rev. Gerald Robinson of the Lake Villa Methodist church is also available to Antioch parishioners in this interim period, which will continue to be served on week-ends by the assistant pastor, Douglas Frazer, a student at Garrett.

Lauris Burdick Buys Hunt's Service Station

Lauris Burdick of North Main street has purchased the Sinclair franchise from Bob Hunt, who operates the Bob Hunt's Service Station at Rtes. 173 and 21. He will take possession Saturday.

Burdick has been employed as

stock manager for the Pickard China Co. during the past year. Before that he was employed at Murrie's Service station for three years and there became acquainted with the service station business.

A resident of Antioch all of his life, Burdick is a graduate of the local grade and high schools.

Hunt has not made definite plans for the future.

John J. Bruski, 65, Ill One Year, Dies; Funeral Yesterday

John J. Bruski, 65, Einfeldt Sub-division, Antioch, died Sunday at Victory Memorial hospital, Waukegan, following a year's illness. Mr. Bruski was born September 2, 1892, in Chicago. He resided there until moving to Antioch in December 1957. He was a retired door guard for Wells Gardner Company, Chicago.

Survivors are his wife, Myrtle; a son James J. Antioch; two brothers, Al and Bernard, both of Chicago; three sisters, Mrs. Francis Jacobson and Mrs. Irene Wysocki, both of Chicago, and Mrs. Wanda Gurg, Denham, Ind., and two grandchildren.

Funeral services were held at 10:30 Wednesday at the Strang Funeral Home. The Rev. Edmond Hood of St. Ignatius Episcopal church officiated at the service. Interment was private.

To Attend C. D. Meeting
Mr. and Mrs. John Horan of Orchard street will go to Peoria this week-end to attend a Civil Defense meeting at the Marquette Hotel.

Minstrel Show Was Big Success, Music Association Declares

Members of the Music Association are quite pleased with the result of the minstrel show last week-end.

The largest crowd and greatest response was on Saturday night. All but 10 seats were sold in the high school auditorium that night. The Friday night crowd was not so large and neither was the response so good.

Hit performance was the specialty dance in which Dr. Richard Carlucci, dressed in women's clothes and his wife in men's attire, burlesqued the adagio.

The antics of the end men, Bill Dow, Don Chiappetta, Jack Fields, triggered by M. C. John Romer, brought many laughs.

On the serious side, the chorus singing "Dinah," the solo dance by Yvonne Lux, vocal solo by Richard Kaufmann, accordion solo by Kenneth Nicpon, modeling by Lila Paulinski, vocal solo by Frank Denison, quartet by the Four Flats and the talented Zeilen family band, were all well presented.

After an intermission a one act play afforded much laughter, and for the finale, the entire cast joined in singing "Hallelujah."

Crusade For Freedom Draws 92.6 Percent Of Pupil Signatures

A good response was made by Antioch Township schools to the appeal in the Crusade for Freedom conducted by Antioch Township High School Student Council, according to Mrs. J. D. Tulumello, council sponsor.

All contributions were on a voluntary basis, and the total amount collected was \$157.14. This money will be sent to the National Crusade headquarters along with the freedom scrolls signed by the pupils.

The results showed an enrollment of the following percentages in the various schools:

St. Peter's, 91.2; Emmons 94.8; Grass Lake, 80; Channel Lake, 81.8; Antioch High School, 90.5; Millburn 92.7; Hickory, 100; Antioch Grade, 92.8; Prince of Peace, 98.7; Lake Villa Grade, 94.9. The average was 92.6 of the total enrollment of 3,244 who signed the freedom scrolls.

Eighth Grade Pupils To Be Tested Starting Monday at High School

Testing of Antioch Township High School district eighth graders prior to high school enrollment will begin at Antioch Township High School the morning of March 3. The tests will be administered by the guidance departments.

The schedule for testing by individual schools has been arranged for mutual convenience as follows:

March 3—Lake Villa, Emmons and Grass Lake.
March 5—Antioch Grade School and Channel Lake.

March 7—Prince of Peace, Newport, Hickory, Millburn, and St. Peter's.

Transportation has been arranged by the high school to pick up and return the eighth graders, with one exception: Emmons pupils will be picked up at noon by parents for return to the grade school.

As in previous years, eighth grade pupils of the township will be given a general mental abilities test, a reading test, and an algebra prognostic test. All of these tests are designed to predict achievement in various areas of scholastic work.

A total of 162 graduating eighth graders will be tested: Lake Villa, 50; Emmons, 5; Grass Lake, 9; Antioch Grade School, 40; Channel Lake, 7; Prince of Peace, 17; Newport, 2; Hickory, 4; Millburn, 4; St. Peter's, 24.

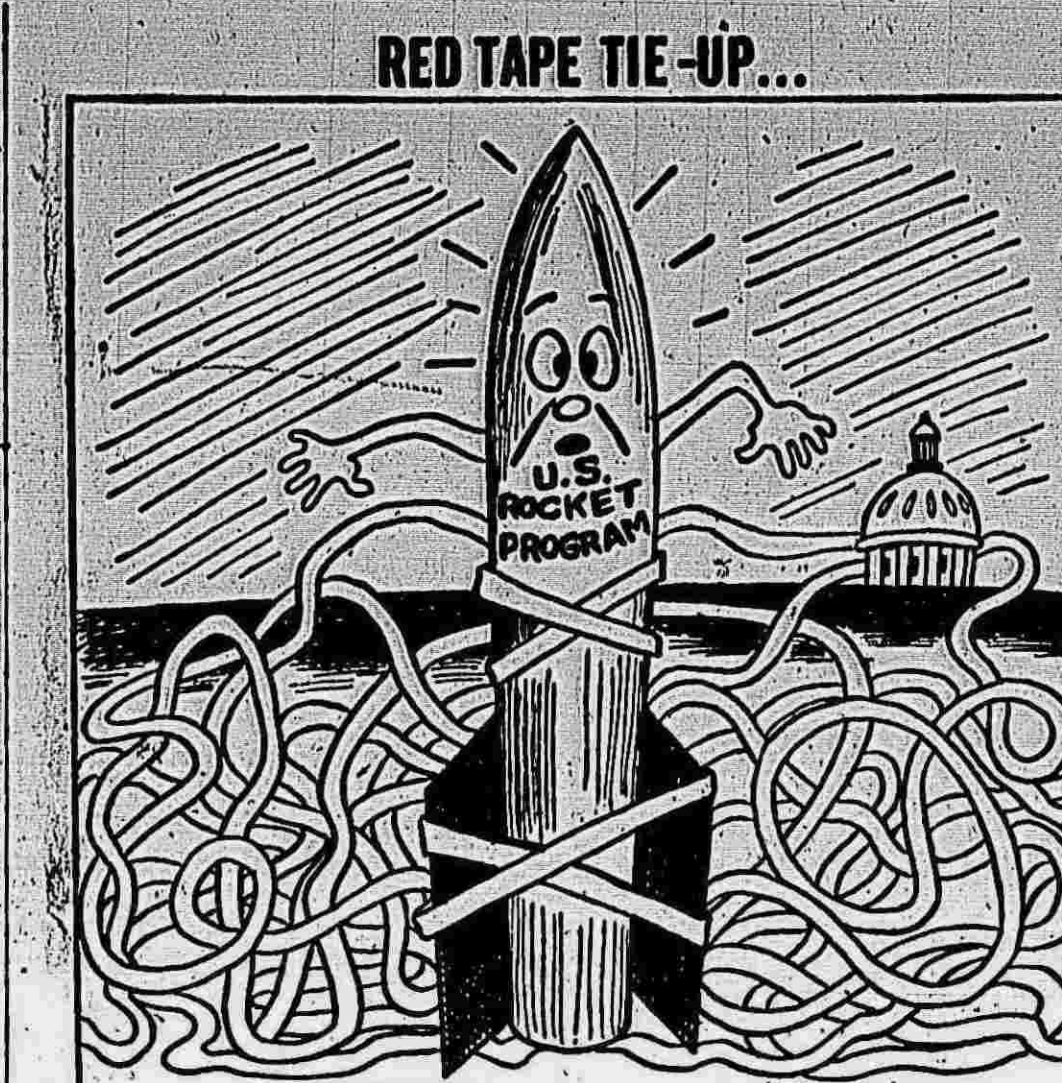

The high school will offer guidance service to parents and tested eighth graders prior to enrollments for the fall high school semester.

Village Officers Will Address Methodist Men

Mayor Murrill Cunningham and members of the Village Board will discuss village government and answer questions in regard to problems of Antioch at a dinner meeting of the Methodist Men's club Monday.

The dinner at 6:30 p. m. will be at the church, and will be served by members of the W.S.C.S.

The meeting is to acquaint people of Antioch with their government.

Fashion Showing at Altar, Rosary Society

St. Peter's Altar and Rosary Society will meet at 8 p. m. Monday at the school hall. Benediction and Rosary will precede the meeting at 7:45 p. m.

MariaAnne's of Antioch has arranged a special fashion show featuring the new look and an extensive showing of Easter bonnets.

All of the ladies of the parish are invited to attend. Mrs. Robert Berg will be in charge of Lenten refreshments and she will be assisted by Mrs. Peter Freund and Mrs. Charles Forster.

Newly Organized Lake Villa Lions Club to Hold Charter Meeting

The newly formed Lake Villa Township Lions club will receive its charter at the hands of District Governor Floyd Burns at a Charter Night meeting to be held at Smart's Country house on Saturday, Mar. 1.

Formation of the new Lions club is under the co-sponsorship of the Antioch, Fox Lake, Grunee, and Grayslake Lions clubs, and its membership will cover the entire Lake Villa Township.

Charles E. Mason, former Lake County State's Attorney and at present Assistant State's Attorney will act as toastmaster for the Charter Night, and community singing will be led by Elmer Kantner of Lake Villa. State Representative Wm. J. Murphy will make the opening address, and other dignitaries will be introduced.

The Bell, Bank, Gavel and Flag will be presented to President Raymond Colucio by the presidents of the sponsoring clubs, A. L. Dittman, Antioch; Harry Zielstra, Fox Lake; Ralph D. Thomas, Grayslake; and Lawrence Remillard, Grunee.

Fifty charter members will be present at the meeting.

Sub-Regional Tournament At Central March 4-6-7

The sub-regional tournament at Salem Central High School promises to be a thriller to the surrounding area. Tournament dates are March 4, 6, and 7. The first games commence at 7 p. m. The finals are played at Janesville on Saturday night.

Six teams are involved. Kenosha and Lake Geneva have the byes. The first game at 7 p. m. Tuesday will be Burlington versus Elkhorn and Delavan versus Salem Central in the second game. On Thursday, Kenosha will play the winner of the Burlington-Elkhorn game and Lake Geneva will play the winner of the Delavan-Salem game. All six are strong contenders in their respective conferences.

Spectators are encouraged to get tickets well in advance which are now on sale. Tickets are available from Mr. Horne at the Central High School office, Salem, and the high school offices of the tournament teams.

Members of the Student Council and Library Club will be in charge of concession stands.

G. R. Rinehart To Speak at Methodist Youth Meeting

George R. Rinehart, news editor for the Antioch News, will speak on Newspaper Propaganda at a meeting of the Intermediate Youth Fellowship, Friday evening at the church.

Babcox Says Bookie At Court House Ere He Became Candidate

Coroner Robert H. (Mickey) Babcox threw two political hand grenades into the sheriff's race Tuesday night in a fighting address before a jam packed meeting of the Junior Chamber of Commerce in Waukegan.

The candidate for sheriff at the Republican primary ripped what he said was a "courthouse gang" editorial in the Waukegan daily newspaper as "irresponsible journalism" and a "complete fraud," and "revealed that a bookie joint operating from the sheriff's office with toll telephone calls made at taxpayers' expense had been shut down because of his candidacy."

"Never before in the history of Lake County has any one single candidate for public office found himself running against so many persons of all sizes and shapes as I have," said Babcox.

"As you undoubtedly have heard, I am running against the courthouse old guard, the sheriff, and his entire array of deputies working around the clock to stop Babcox, and the only daily newspaper in Lake County."

"I want to tell you from the very start that Mickey Babcox is the one candidate who will not be badgered, bullied or pushed around by any daily newspaper. I don't think you want another man's puppet for a sheriff. I think you want a man with guts."

Babcox charged that 14 deputies have been added to the sheriff's force in less than six months at taxpayers' expense to bolster the sheriff's political following. The newspaper editorial denied this saying that only six had been added and they are policemen, not ward heelers.

The speaker then listed the names of 14 whom he said were added in the last five months, and said they are driving cars with signs that do not say "Vote for Babcox."

The list he gave follows:
Roman J. Lenzen, Sr., Sept. 4, 1957

Emerson R. Krapf, Sept. 30, 1957

David A. Swan, Oct. 8, 1957

Peter Poulos, Nov. 15, 1957

Clair Ianson, Nov. 18, 1957

Herbert S. Koehmstedt, Dec. 7, 1957

Robert E. Gregory, Dec. 30, 1957

Bernard Leonard, Dec. 30, 1957

Laddie James Zupansic, Dec. 30, 1957

Boyd R. Dutcher, Jr., Dec. 30, 1957

Robert Ruggles, Dec. 30, 1957

Russell Stickles, Jan. 1958

Peter Kornelle, Jan., 1958.

Babcox charged also that on Dec. 29 just before the raid was made on an Antioch bookie by the state's attorney, a phone call that lasted a full two minutes "was made over the sheriff's phone to the Antioch headquarters."

Tax Money Coming In
Justice of the Peace Herbert Litchfield said there is a steady flow of payment of delinquent personal property tax. He sent out 644 notices recently and got good response, although there were many returns from the post office of addressees who have moved away and left no forwarding address.

Fire at Antioch Mill

Fire believed to have started from spontaneous combustion was discovered early enough at the Antioch Milling Co. feed building at 939 N. Main st. at 3 p. m. Saturday to restrict the loss to a half ton of cornfodder. Kenneth White, an employee, discovered the blaze and called the fire department which put the fire out in short order.

Antioch Township Republican Men's Club Organizing

Loren Sexauer is Temporary Chairman; Meeting On Tuesday

The formation of an Antioch Township Republican Men's Club was started Tuesday evening in a meeting of 32 Republican leaders in Guild hall of St. Ignatius church.

To all appearances this organization replaces in Antioch township the organization formed a few years ago by Republican leaders of both Lake Villa and Antioch townships, which so far has not functioned in this campaign.

Loren Sexauer was elected temporary chairman of the new organization. He appointed a seven-man steering and nominating committee to set up the by-laws and a slate of permanent officers which will be voted upon at the next meeting, 8 p. m. Tuesday, March 4 in Guild hall. Herbert Litchfield is temporary secretary.

Many aspects of the organization of such a club were discussed in open session and the apparent interest of the men, present necessitated the organization of a permanent Antioch Township Republican club.

Rep. Robert Coulson and Deputy Treasurer Frank Nustra, who appeared at the meeting were asked to comment, and both gave enlightening views on the organization of such a club.

An invitation was extended to all Republican men in Antioch Township to attend the next meeting and become members. Republican candidates for public office also are invited to attend.

It is probable that the club will make some endorsements at a later meeting.

Suffers Head Injury In Fall From Horse

Jeanne, 16, daughter of Mr. and Mrs. Jack Sobey of Depot street suffered head injuries and a brain concussion last evening when she was thrown from a horse she was riding at the Antioch Nursery near her home.

The horse slipped in some mud at the side of the road and threw her to the ground so that she struck her head. A neighbor saw her fall and when she didn't get up, called an aunt, Gwyn Pierce, who found Jeanne unconscious.

The Antioch Rescue squad took her to Victory Memorial hospital for treatment.

Jeanne is a sophomore in Antioch Township High school.

Joseph J. Zamal, 62, Of Trevor, Wis. Dies

Joseph J. Zamal, 62, of Trevor, Wis., died Tuesday at Burlington hospital, where he had been a patient two days.

Mr. Zamal was born June 13, 1895, at Livingston, Ill., moved into Chicago, and lived there until his coming to Trevor seven years ago. He was a retired metal polisher, having been employed by the Sloan Valve Co. of Chicago.

His marriage to Florence Wojciechowski took place on May 3, 1942 in Chicago. He is survived by the widow and one daughter, Sandra.

The funeral service will be held at 11:15 a. m. Saturday at the Strang Funeral home. Interment will be in Liberty cemetery. Friends may call after 7 p. m. today.

Lions Told of Life Of Students at Abbey

Members of the Antioch Lions Club, meeting at dinner at St. Benedict's Abbey, Benet Lake, Wis., Monday evening, were welcomed by Head Prior Stephen and told of the way of life of the students at the abbey.

At the next meeting of the club on March 10 at Angel's north of Antioch on Rte. 83, Franklin Ruhl will speak on "Wills."

File for School Board
Yesterday was the first date for filing for school boards. The final date will be March 22. The election will be on April 12. Petitions for candidacy may be obtained from Board of Education secretaries.

C. H. S. Photography Club Exhibit
The Salem Central Photography club will present a photo exhibit on Thursday, March 20, the same date as the Science fair. Both will take place at the high school beginning at 9 a. m. to 10:30 p. m.

What Is Red Cross?

It is mercy untarnished and untimpered. It is mankind at its finest. It is people everywhere, united by the powerful bond of devotion to a fellow man in his hour of need. Service is its creed, mercy its watchword. Its strength, born of courage and rooted in unselfishness, shall prevail against the ravages of fire, flood, famine and war. Of all the far-flung shores of the world, its banner is held proudly by millions of hands, and it is known with thanksgiving by all men.

No lone cry in the night shall ever be too weak for it to hear and to heed. Nor can a thousand voices shrill with terror overwhelm it with confusion. Neither thundering cannon nor whining bullet shall make the Red Cross falter or fall back. Though it must often travel with death, it protects the living with all the resources at its command.

Where there is despair, Red Cross instills hope. Where there is suffering, it brings healing. Where there is destruction, it builds anew. It penetrates the creeping shadows of a confused, tormented world with the clear light of brotherhood, and with outstretched hands offers the brand of peace, vaulting over the walls that men create about themselves through fear and ignorance, casting out prejudice and offering understanding in its stead.

Red Cross is countless trained, willing hands guided by hearts and minds dedicated to their particular tasks of mercy toward others. . . the blood donors, the doctors, the nurses, the Gray Ladies, volunteer nurse's aides, the Canteen volunteers, the disaster workers, the first aid and water safety instructors who teach the skills that will save lives. . . the Social Welfare Aides and Home Service staff workers who form the link between the servicemen and their families and help veterans. . . the Production volunteers who lovingly embroider tiny garments so that babies they will never see will look wanted and cherished; who knit and sew, and wrap Christmas packages in August for soldiers and sailors who will be on the high seas December 25. . .

The Arts and Skills volunteers who guide the faltering fingers of hospital or homebound patients to new strength and usefulness, creating beauty. . . the Nursing Services instructors who teach others to care for the sick and the injured, to prepare for disaster, or to care for the new baby so that parenthood will be a joy. . . the volunteer nurses who serve beyond the call of duty. . . the Junior Red Crossers learning through service to be the good citizens of tomorrow.

. . . the laboratory workers testing blood with utmost care. . . custodians dispatching that blood to the Motor Service drivers who make emergency blood deliveries to hospitals, transport children and adults to therapy treatments, and drive thousands of miles each month to do these and many other things. . . the overseas workers at the side of our Armed Forces who are far from home and country. . . the people of the press, radio, television and other media

who help to tell the Red Cross story. . . the men and women who capably direct the Red Cross program by their service on committees and the board of directors.

It is the thousands of people in this area and the millions of people elsewhere whose contributions of money have been translated into humanitarian service, here and abroad.

Red Cross is that part of each of us that reaches out beyond consideration of self to serve humanity.

Conservation Through Free Enterprise

"The successful operation by farmers of a nation wide soil and water conservation program through their Soil Conservation District has proved that a free enterprise operation can do the job effectively and that a free people can govern themselves as in contrast to 'conservation by government edict'—and expensive, tax-supported administrative agency operation."

That was said by Nolen J. Fuqua, president of the National Association of Soil Conservation Districts, at a speech before the last annual convention of the Farm Equipment Institute. And that was certainly a logical place to talk about conservation—for modern agricultural machinery has done more than any other force to make it possible, practical and profitable.

Mr. Fuqua said that there are more than 2,700 of these districts now in operation—all administered by locally elected farmers and ranchers. Nearly 2 million farmers are participating in carrying out soil and water conservation plans throughout the country. And here is a work with a real cash value—for it has been proven that conservation farming increases the annual net farm income by \$6 to \$15 per acre.

More important, it is the means whereby our limited farm acreage will be preserved and improved for coming generations. In this age of soaring populations, that is an urgent and continuing need.

Grass Roots Opinion

FRANKLIN, VA., TIDEWATER NEWS: "The actual increase in military spending in next year's proposed budget is less than a billion more than is being spent in the present fiscal year. . . Come, on, Congress, let's slice off some of the non-military fat, and let the states handle some things they should be handling anyway."

QUINCY, MASS., PATRIOT LEDGER: "A group known as the Field Representatives Federation has been refused an AFL-CIO charter to represent 215 AFL-CIO employees sent out to organize unions. The incident shows that when a labor union acts as an employer it talks like an employer—and often like an unenlightened employer at that."

BARNESBORO, PA., STAR: "As millions of Americans are now finding out to their sorrow, inflation creates just as much hardship, bread-and-butter-wise, as does a depression. Our lawmakers now need to be made aware of that realization and take the necessary steps to stem the creeping tide of inflation which has dealt our pocketbooks such a severe jolt."

LIBERAL, KAN., SOUTHWEST DAILY TIMES: "The corporation executive seeking to finance expansion plans or a wage-earner shopping for a new home or car, will find loan money a little more plentiful in the first half of 1958 than in the latter part of 1957. This means of course you must be a good credit risk."

TERRE HAUTE, IND., TRIBUNE: "Krushchev is forever announcing that the Soviet Union is studying reduction of its armed forces. Wonder when the Russians find time to plan for defense against the war they say the U. S. A. is hatching?"

LITTLE BILL says:

6¢ a load
is all you pay—to dry the clean electric way

An electric dryer will dry this normal 8-lb. load for only 6¢—2 sheets, 3 bath towels, 4 hand towels, 2

men's T-shirts, 3 pillowcases, 3 children's dresses, 2 luncheon cloths. Drying time only 25 to 30 minutes.

Nothing's faster, nothing's cleaner—and electric dryers are completely automatic

COST?

ELECTRIC DRYERS

cost
\$30 to \$60 less
to buy
than any other kind

A new electric dryer will wipe out your wife's weather worries on washday (and costs less to buy than any other kind).

And for just 6¢ a load, electric dryers give you the cleanest way to dry clothes. Clean, dry, radiant electric heat—like the sun—turns out clothes that are soft, sweet-smelling every time.

Fast, too. Today's electric dryers will dry a full load in 25 to 30 minutes. All electric dryers are fully automatic, nothing to light, no igniting devices to require service.

We think you'll be surprised when your appliance dealer tells you how little it costs to own a modern electric dryer.

You get a free "Line-Up" card every time you visit your nearest Jewel Food Store.

A new set of numbers will be published in the Jewel ad in this newspaper every Thursday. The first set of numbers are enclosed in stars on this page. Each set of numbers good throughout the entire program. Every card good throughout entire program. Play any card against any ad. Save every card and every ad!

Match numbers on the "Line-Up" card with any set of numbers in an ad. Pencil an "X" over those numbers on your card that match the numbers in the ad.

If you "Line-Up" 5 numbers in a row—down, across or diagonally on your card, you have a winning card. Turn card over to see what you have won and mail card as directed. You will receive certificate for your prize in a few days.

HAVE YOU EVER THOUGHT ABOUT THE CHURCH?

Have you ever considered the Episcopal Church? The Episcopal Church has a long history, an unbroken Apostolic Succession from Jesus Christ, the Son of God. The Episcopal Church keeps that Ministry and those Sacraments ordained by Christ Himself. The worship of the Church is the most worthy that men can use to reach God; the devotional life of the Church is rich, to satisfy the soul longing for God. The Anglican or Episcopal Churches hold to Catholic and Apostolic faith and order, without addition or subtraction.

This and more about the Church will be explained in Confirmation classes which for adults will begin on Sunday evening, March 16th at 8:00 P. M. Confirmation classes for children will begin on Saturday afternoon, March 22nd, at 2:00 P. M. All interested persons are cordially invited to attend. There is no obligation. There need be no hesitation. Over half the growth of the Episcopal Church is through converted adults. Interested persons may call the Rector, Father Edmond E. Hood, at Antioch 652.

HAVE YOU EVER THOUGHT ABOUT THE CHURCH?

Have you ever considered the Episcopal Church? The Episcopal Church has a long history, an unbroken Apostolic Succession from Jesus Christ, the Son of God. The Episcopal Church keeps that Ministry and those Sacraments ordained by Christ Himself. The worship of the Church is the most worthy that men can use to reach God; the devotional life of the Church is rich, to satisfy the soul longing for God. The Anglican or Episcopal Churches hold to Catholic and Apostolic faith and order, without addition or subtraction.

This and more about the Church will be explained in Confirmation classes which for adults will begin on Sunday evening, March 16th at 8:00 P. M. Confirmation classes for children will begin on Saturday afternoon, March 22nd, at 2:00 P. M. All interested persons are cordially invited to attend. There is no obligation. There need be no hesitation. Over half the growth of the Episcopal Church is through converted adults. Interested persons may call the Rector, Father Edmond E. Hood, at Antioch 652.

SOCIETY EVENTS

Miss Paula Carney Is Recent Bride of John K. Larson

Prince of Peace church was the setting recently for a double-ring ceremony uniting Miss Paula Marie Carney and John K. Larson in marriage. The Rev. David J. Lynch officiated at the service.

The bride, daughter of Mr. and Mrs. Edward G. Carney, 1013 Spafford street, was given in marriage by her father. Her bridegroom is the son of Mr. and Mrs. Steve Suckanec, Lake Villa.

The bride wore a floor length gown of ivory satin, princess style featuring long sleeves, with lace and pearl trim applique. Her fingertip veil was attached to a crown of pearls and lace. She carried a bouquet of white carnations, rosebuds and ivy.

Miss Barbara Carney attended her sister as maid of honor, and Miss Susan Edwards, cousin of the bride, served as bridesmaid. The maid of honor wore a paradise blue taffeta sheath gown with overskirt of tulle, and the bridesmaid wore a gown of heavenly blue taffeta with overskirt of matching tulle. They carried blue carnations.

Serving as best man for the bridegroom was Gene Helmquist and William Gallagher served as usher. Ronald Peters was soloist, accompanied at the organ by Mrs. Grace Timmersmann.

Both Mr. and Mrs. Larson are graduates of the Antioch Township High School.

Mr. Larson and his bride will reside at Rte. 4, Box 545, Antioch, Ill.

Mr. and Mrs. Sam Ries are rejoicing over the birth of their first grandchild, a daughter, born to Mr. and Mrs. Bernard F. Stadick of Grayslake. Little Sandra Ann tipped the scales at 7 lbs. 7 1/2 oz. when she weighed in at Victory Memorial hospital last Sunday, Feb. 23. The paternal grandparents are Mr. and Mrs. Ben Stadick of Chenoa, Illinois.

Engagement Announced

Miss Eleanore Storch

Mr. and Mrs. Arthur Storch, Lake Villa, announce the engagement of their daughter, Eleanore to Mr. Charles Neisel, son of Mr. and Mrs. Charles Neisel of Evanston. No wedding date has been set.

Captain Dean Hagen Gets An Army Citation For Service in Germany

Capt. Dean C. Hagen, artillery, United States Army, distinguished himself by meritorious service during the period, Feb. 9, 1956 to July 31, 1957, while serving as assistant S-3, 45th Field Artillery battalion, 8th Infantry division.

Throughout this period Captain Hagen displayed drive, initiative, and outstanding professional knowledge.

Under his personal instruction the fire direction centers of the battalion reached the highest level of performance. In the absence of an assigned Regimental Liaison Officer, Captain Hagen undertook this additional duty, directing the field operations of battalion liaison officers and forward observers and instructing infantry personnel in fire planning with such marked success that the regimental commander requested him by name to act as regimental liaison officer during the infantry battalion tests.

He carried this key mission through to outstanding success. When elements of the 45th Field Artillery battalion were combined with the Mortar Company, 28th Infantry Regiment to form two provisional mortar batteries during the 1957 summer training period at Grafenwohr, Captain Hagen's expert gunnery knowledge led him to discover numerous problems and to develop many new techniques in the utilization of the mortars as artillery weapons; this in turn led to his being appointed coordinator of mortar training for the entire Division Artillery during this time.

Captain Hagen, son of Mr. and Mrs. Oscar Hagen of Antioch, was graduated from Antioch Township High School in 1942 and enlisted in 1943. He received the award Dec. 21, 1957 while stationed in Germany.

Gets Army Citation for Artillery Service

Capt. and Mrs. Dean Hagen of Antioch are at Baumholder, Germany where Capt. Hagen recently received an Army citation for outstanding service. The officer is the son of Mr. and Mrs. Oscar Hagen.

Phyllis Pincombe Weds R. P. Heiser In Millburn Church

Miss Phyllis Ann Pincombe became the bride of Robert P. Heiser in a candlelight ceremony February 14 in Millburn Congregational church. The Rev. L. H. Messersmith officiated at the double ring ceremony. The bride is the daughter of Mr. and Mrs. Robert Pincombe, Grass Lake Road, Antioch, and her bridegroom is the son of Mr. and Mrs. John Heiser, Talmadge Road, Zion.

The bride, given in marriage by her father, chose for her wedding a white satin princess style gown. She wore a pearl necklace and her head dress was of pearl petals fashioned into hearts. She carried a cascade of white orchids and stephanotis on a Rainbow Bible.

Miss Joyce Babor, bridesmaid, wore a floor length gown of red taffeta. She carried a bouquet of feathered carnations. Cheryl Pincombe, sister of the bride was flower girl, wearing a floor length gown of red taffeta. Donald Heiser, nephew of the groom was ring bearer.

A reception in the church parlors followed the ceremony.

The bride is a graduate of Antioch Township High school and her bridegroom is a graduate of Zion-Benton High school.

The newlyweds plan to make their home at Loon Lake.

Special Services at St. Ignatius' Church Wednesdays in Lent

Services for the Lenten season began at St. Ignatius' parish church on Ash Wednesday when a record crowd attended the parish church to receive the imposition of ashes and the Sacrament of Holy Communion. During the entire period of Lent, there will be three services on Wednesdays. The Holy Eucharist will be offered at 7 a. m. and 9 a. m., and the evening service will be at 8 p. m. The basic theme of the sermons and meditations to be given at the evening services will be: "Know Your Church." This series will attempt to explore the doctrines and dogmas of the Church, together with the meaning and use of the Sacraments of Baptism and Holy Communion. All interested persons will be most welcome, and are most cordially invited to attend by the congregation and the Rector.

At the invitation of the Very Rev. Orin A. Griesmyer, Dean of the Chicago-West Deany, and Rector of the Church of the Advent, Chicago, Father Edmond E. Hood will preach at a Lenten service at the Advent on the evening of March 6th. Dean Griesmyer, a resident of the Diocese of Chicago since 1952, has resigned his position as Rector of the Advent to accept the post of Rector of The Little Church Around the Corner, New York. Dean Griesmyer and his family expect to leave the Diocese sometime in May.

LOCAL STUDENT RECEIVES HONOR AT BLACKBURN

Miss Marilu Bushing, daughter of Mrs. Marie Bushing, Rural Route 4, Antioch, has been awarded an honor work grade for outstanding participation in the student managed work plan at Blackburn college, Carlinville, Illinois, during the first semester of the current academic year. An honor work grade is deemed one of the highest nonacademic awards that is given at Blackburn. Each resident student is required to work 15 hours a week at his or her part in the school's famed self-help plan.

Miss Bushing is presently working fifteen hours a week for the college.

Mrs. Eleanor Micheli returned home last week after spending several weeks with her daughter, Mrs. Carter Johnson and family at New Orleans.

Generally speaking, capital investment by industry is substantially down from the very high levels of last year. A major exception to this rule is the electric utility industry. Gene Smith writes in the New York Times that the utilities will spend \$5,300,000,000 this year for expansion—a new record. They will add 16,400,000 kilowatts to their capacity, also a new record.

Carol A. Loftus Was Mid-year Graduate at University of Illinois

URBANA-CHAMPAIGN, Ill. — Names of students who successfully completed work for midyear degrees from the University of Illinois were announced today. Among them was Carol A. Loftus, 856 Main st., Antioch.

Since there is no midyear Commencement ceremony at the University, final check of grades and work complete and announcement of graduation was not done until after the second semester's registration.

Diplomas are now being prepared for the graduates and will be mailed to them sometime before the end of next month (March). Graduates totaled 1,214, of whom 897 received bachelor's degrees, 242 master's degrees, and 75 doctorates.

Midyear graduates were honored Jan. 26 at a convocation before which Mark Van Doren, teacher, editor, writer, Pulitzer Prize poet, and an alumnus of the university, spoke, and at which an honorary degree was conferred on him.

Chemistry Demonstration At Antioch Grade School

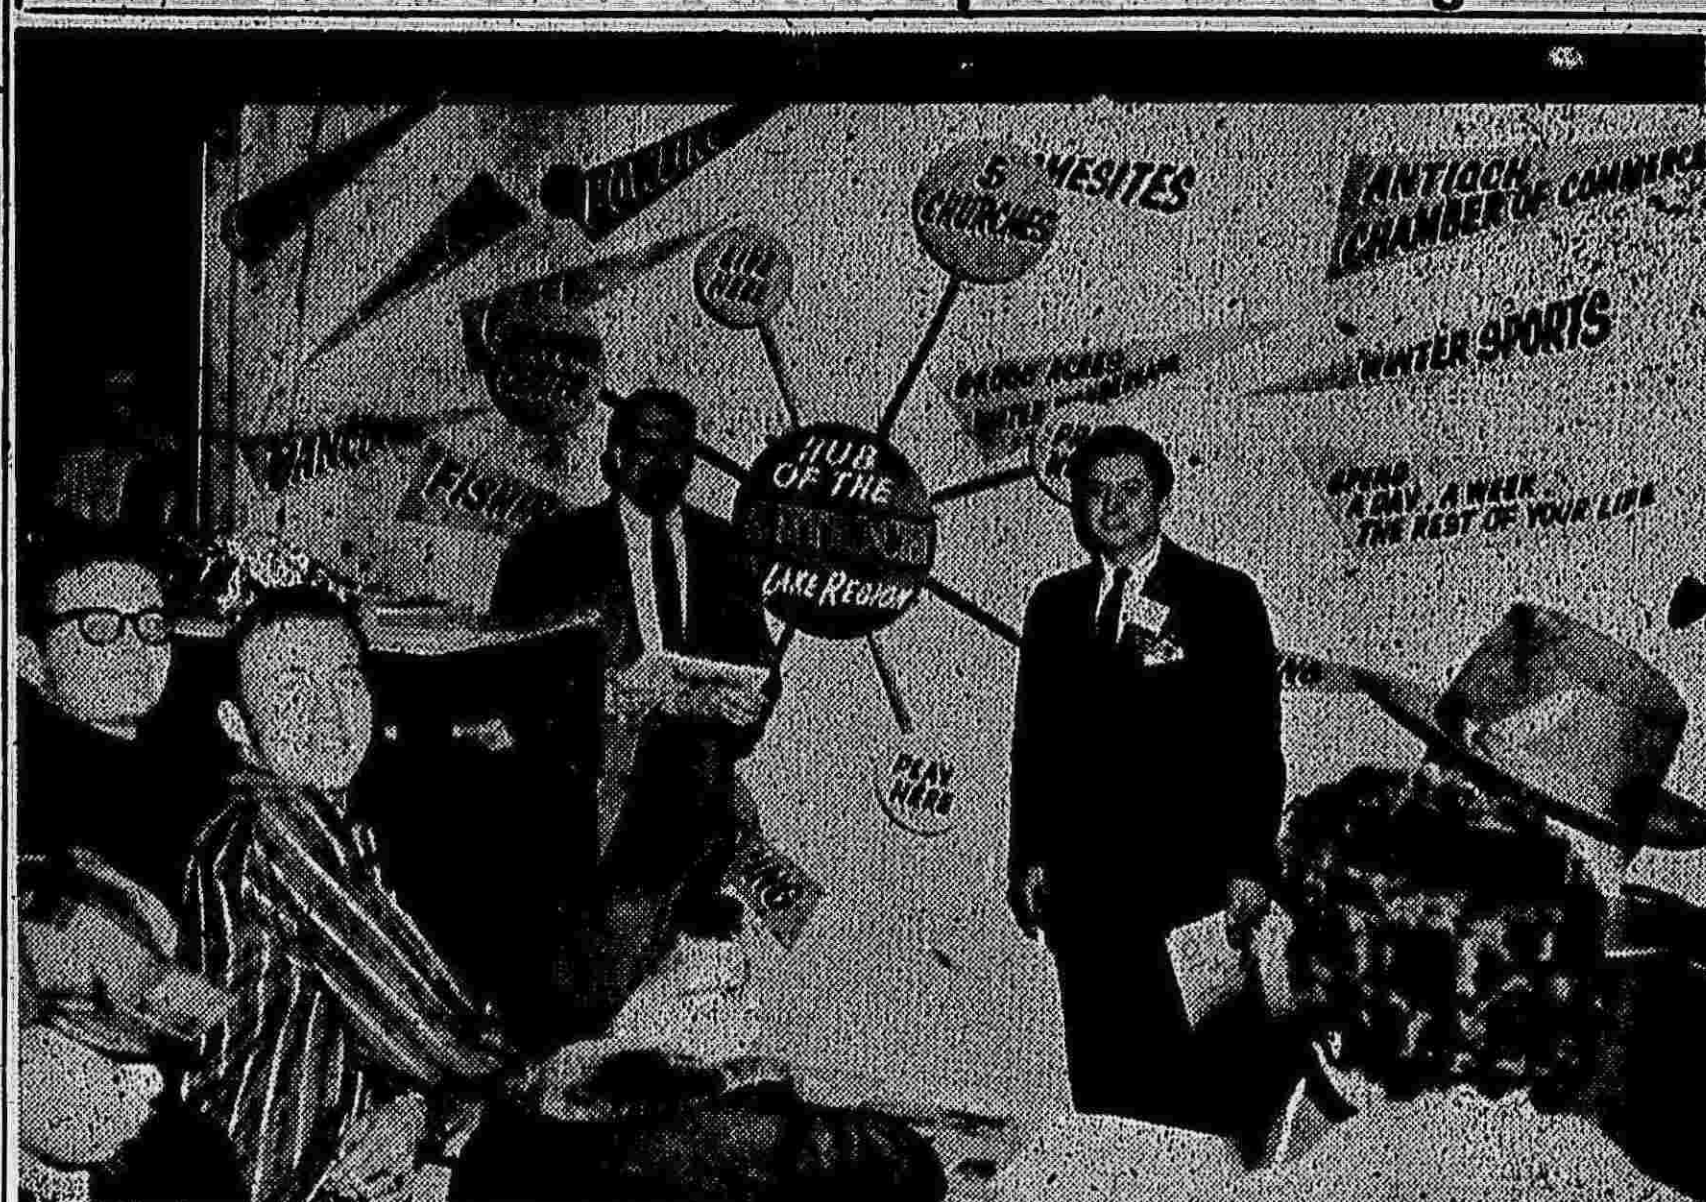

A chemistry demonstration for eighth grade pupils was held on Tuesday afternoon when Elroy Robinson, high school chemistry teacher, and students Faye Mann, Carolyn Stoffel, Alan Moorman and Bill Jarvis appeared at the Antioch Grade School.

They performed several lively demonstrations for science students of Harrison Brown who is introducing chemistry to grade school pupils under the plan of Dr. Calvin Midgley, Lake Villa physician, who has devised the method of study which is used at the high school.

SALEM CENTRAL TEACHERS HAVE VISITATION DAY

Each year, faculty members of Salem Central High school visit other high schools to observe their teaching procedures and school routines. Much can be gained through a mutual exchange of ideas among teachers in the various educational interest fields. Wednesday, Feb. 26, has been set aside as Visitation Day.

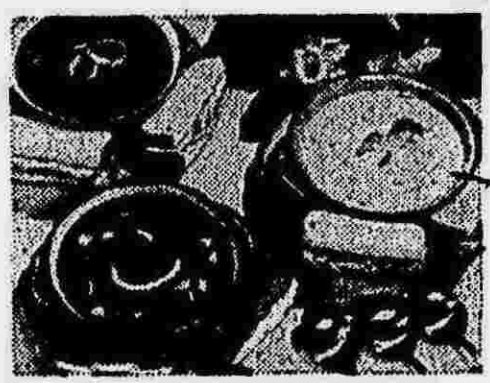

Scenes at Antioch Booth at Sports Show in Chicago

Antioch's portion of the exhibit at the Sports Show in the Amphitheatre at Chicago is shown here. In the upper picture are (background) William Brook, left, and Joseph Patrovsky of the Chamber of Commerce explaining to visitors the advantages of the Antioch area as a recreation place both winter and summer.

In the lower picture facing the camera, left to right, are Norman Christensen, A. W. (Barney) Shunnesson, and Ben Shostak of the Chain of Lakes Resort Owners Association telling a similar story in their portion of the booth to visitors. They feature the prizes awarded to those who caught tagged fish.

Soup For Any Lenten Meal

WITH the wonderful array of meatless soups available, Lenten meals can be more tasty and tempting. Let these soups . . . canned condensed asparagus, black bean, celery, clam chowder, green pea, mushroom, and vegetarian vegetable . . . add variety to your meal planning.

Soup and crackers or soup and sandwiches . . . for lunch or supper . . . are perfect menu go-togethers. These popular combinations are welcomed by young and old alike. Make it a hearty soup and a hearty sandwich for the "growing up" (getting ready for a new spring outfit) serve soup and crackers.

Popular Soup and Sandwich Combinations
Tomato Soup with Cheese Sandwich
Clam Chowder with Sliced Egg Sandwich
Celery Soup with Tuna Salad Sandwich

Be sure to include soup combinations now and then . . . meatless soups can be mixed in twosomes that give savory results. For instance, try clam chowder mixed with tomato or blend vegetarian vegetable with celery soup. For extra goodness, garnish with toppings of grated cheese or sliced hard-cooked egg.

Many of the meatless soups are ideal cooking ingredients, too. They combine wonderfully with seafood, eggs, cheese or macaroni for creamed dishes and casseroles. Serve an old favorite . . . EASY TUNA CASSEROLE . . . with a tossed green salad.

Easy Tuna Casserole
1 can (10 1/2 ounces) condensed cream of mushroom soup
1/2 cup milk
1 cup drained flaked tuna (7-ounce can)
1 cup cooked peas, drained
1 1/2 cups crushed cheese crackers

Empty soup into a 1-quart casserole; add milk and mix thoroughly. Add tuna, peas and 1 cup crackers; stir well. Sprinkle top with remaining crackers. Bake in a moderate oven (375°F.) for 25 minutes. Makes 4 servings. *WNS*

MOOSE TOPICS

Fish Fry, Friday, Feb. 28—Fish or Shrimp plate.

The 49ers party April 5th is being given for the purpose of installing an air conditioner in our Home. All proceeds of the party and dance will be donated to this fund.

Donors for the Moose blood bank made a trip to Waukegan Thursday evening for their donation. The participants were Lester Nelson, Art La Flamme, Robert Avery, and John Osborn. This bank is a joint affair with the Women's chapter who maintain a complete file of donors. The chairman is Jane Verkest.

Our best wishes to John Gaa and Emil Lubkeman who are recovering from their recent illness at home. Walter Kilguski is improving rapidly.

The Loyal Order of Moose and its nearly a million members are always trying to better our communities by assisting in civic affairs.

Local Scouts to Join In Scout-O-Rama at Fair Ground Saturday

A signal tower, 15 foot whale boat, canoe camping, and Indian dancing are among the examples of scoutcraft that will be in store for visitors to the fourth annual Scout-O-Rama at the Lake County Fair grounds March 1.

This annual affair is sponsored by the Northwest district, North Shore Area council, Boy Scouts of America. The district embraces communities in the western half of Lake County.

The display of scout skills presented by 49 packs, troops and explorer posts of the 63 units in the district will be set up in the new fair grounds building.

Adolph Geisler, of Mundelein, district activities chairman, said the Scout-O-Rama is now shaping up as the largest that the district has ever conducted. Purpose of the exhibits is to put scouting on display to the public. Various skills learned by boys in cub packs, scout troops and explorer posts will be on display at booths in the building. The Scout-O-Rama will be held for one day, Saturday, March 1, from 2 p. m. to 8 p. m. Tickets are available from boys and adult leaders from units participating in the program. Half of the ticket value will be used to cover costs connected with the Scout-O-Rama.

Besides Geisler, members of the district activities committee who helped plan the program are Harold Hendrick of Libertyville, committee vice-chairman, Milton Enyard of Mundelein, Ray Persson and LD. E. Carlson, both of Grayslake. Refreshments will be available at

the building and arrangements for these are being made by the Women's Guild of St. Andrew's Church, Grayslake, and women of the United Protestant church of Grayslake. The Lake County Fair Grounds are located at Rice, 45 and 120 just east of Grayslake.

Units participating from the Antioch area are: Pack 92, Troop 92, Pack and Troop 80 of Grass Lake, Pack and Troop 88 and Troop 84 of Lake Villa.

Troop 92 Boy Scouts held a successful paper drive Saturday.

Parents of Troop 92 will meet this evening at the Scout House.

The troop received the For God and Country award for the work getting new scouts last fall.

Today's MEDITATION

The World's Most Widely Used Devotional Guide

The Upper Room
THE UPPER ROOM, NASHVILLE, TENNESSEE

THURSDAY, MARCH 6

Read Galatians 6:1-10.
Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap. (Galatians 6:7.)

Is there for sin a penalty? God's forgiveness does not cover? Is there for sin a consequence? God does not separate from us?

A mother warned her child not to climb a tree, lest he be punished. Ignoring the command, he climbed a tree. A limb broke and he fell. The result? A broken arm! Through painful sobs, he begged his mother to forgive him. Gladly his mother forgave him and did not punish him. But she could not mend the broken arm. He had to bear the consequence of his disobedience.

God applies to us the same law of consequence for sin. When, with a penitent heart, we seek God's forgiveness, He is faithful and just to forgive us our sins. But there is still the natural consequence of sin for which we have no deliverance in this life. It behooves us to consider the cost of sin! A ruined life for a few minutes of sin is a tremendous price to pay!

Prayer

Our Father, enable me to sow seeds that will not bring to me a harvest of regret, anguish and sorrow. Teach me to sow seeds of love and mercy, so that I may reap an abundant harvest to the honor and glory of Thy name; through Christ, the Saviour of the world. Amen.

Thought for the Day

A ruined life is a tremendous price to pay for a few moments of sin.—Miller Lydick (Pennsylvania)

Auxiliary News

Americanism

The Antioch Post of the American Legion held a meeting last Thursday evening with its auxiliary unit. As February is Americanism month for both the Posts and Units of the American Legion, speaker of the evening, Rep. Robert E. Coulson gave a very interesting talk on the life of our first president, George Washington.

Mr. Taylor, head of the Red Cross for Lake county, also talked on the work of the Red Cross and a Red Cross film was shown.

The public was invited to attend the meeting and quite a crowd was present to enjoy the evening. Refreshments were served by the Auxiliary members.

The next meeting of Antioch Unit will be Friday, Feb. 28. It will be the annual birthday party of the Unit and a pot luck supper will be served at 6:30 p. m. for Auxiliary members and their husbands.

Use Telephone For Tax Answer

Do you have an income tax problem? If you do, you are only as far away from the answer as the closest telephone, according to H. Alan Long, Chicago's District Director of Internal Revenue.

Most taxpayers can successfully complete a form, even where complicated tax problems are involved, with help obtained over the telephone. The Revenue Service began its telephone assistance program three years ago and it has been expanded each year to aid taxpayers to greater accuracy in their Forms 1040 and 1040A. Mr. Long pointed out.

The phone number to call in Chicago is DEarborn 2-4500 and ask for taxpayer assistance. A special group of revenue agents is assigned to man the phone battery.

"Taxpayers needing information or advice shouldn't lose any time in calling us," Mr. Long stressed. "Right now we can give quick service. But, as the filing deadline grows nearer, telephone lines will become jammed."

"We ask that every taxpayer who calls us have his or her return in hand, along with any records relating to the problem, and that they have all the necessary facts and figures in mind."

"My advice is: begin to work on your return now; go as far as you can; fill in and compute everything you can—then call us for help on the remainder."

NOTICE OF PUBLIC HEARING
NOTICE IS HEREBY GIVEN that a Tentative Budget and Appropriation Ordinance for the Town of Antioch, in the County of Lake, State of Illinois, for the fiscal year beginning February 1, 1958, and ending January 31, 1959, will be on file and conveniently available to public inspection at The Town Clerk's Office from and after 1 o'clock P. M., 2nd day, March, 1958. Notice is further hereby given that a public hearing on said Budget and Appropriation Ordinance will be held at 2 o'clock P. M., 25th day, March, 1958, at the Village Hall in this Town, and that final action on this Ordinance will be taken by the electors at the Annual Town Meeting to be held at 2 o'clock P. Illinois State Chamber Of Commerce Dinner at Crystal Lake March 12

CRYSTAL LAKE—Feb. 26—Four prominent businessmen from this area—one each from Crystal Lake, Barrington, Woodstock and Libertyville—will be hosts at an Illinois State Chamber of Commerce dinner here Wednesday evening, March 12.

The affair will be held at 6:30 p. m. in the Czech Lodge on U. S. 14, Crystal Lake. State Chamber members and other leading businessmen from 19 surrounding communities are expected to attend.

Sponsoring the dinner will be Harold J. Bacon, president of Home State Bank of Crystal Lake. Assisting with the arrangements are co-sponsors Ray M. Jurs, president, The First National Bank of Barrington; Donald F. Wilkerson, personnel director, The Electric Auto-Lite Company, Woodstock; and E. D. Wolsard, treasurer, Burgess-Manning Company, Inc., Libertyville.

Principals on the program will be officers and staff executives of the State Chamber. Discussions will focus upon such pertinent subjects as social security and unemployment compensation, agriculture-business relations, labor relations, federal, state and local taxation, education, state highway policy and water resources.

The meeting is one of a series of 19 that will be held by the State Chamber this year to better acquaint Illinois businessmen with current state and national economic and legislative issues.

Attending will be businessmen from Algonquin, Antioch, Barrington, Cary, Crystal Lake, Fox Lake, Fox River, Grove, Grayslake, Harvard, Hebron, Huntley, Lake Villa, Lake Zurich, Libertyville, Marengo, McHenry, Mundelein, Palatine and Woodstock.

Warm Air Association Plans 4th Test House At Univ. of Illinois

The new Warm Air Research Residence for which plans have just been announced at the University of Illinois may well be the most important new house of 1958. It will be the fourth research house to be built at the campus by the National Warm Air Heating and Air Conditioning Association.

Cooperative research in home heating has been carried on by the university with the association since 1919. More than half a million dollars has been provided for this by the heating industry. Results are public property and have benefited everyone.

The results have included better heating plants and installation methods, greater comfort through insulation and new heating systems, and air conditioning. Research has been both in the laboratory and under actual home conditions.

The world's first heating research house was built at Illinois in 1924 by the association. The new research house of 1958 will be an 8-room, 2½-bath split-level home with four bedrooms, 2,000 square feet of usable space, and built-in double garage.

Research equipment will include six miles of wires built in to provide instantaneous temperature information from 400 points inside and outside the house, within the walls, floors, and other parts of the structure, and from units of the heating system.

U. of I. Food Report

Chicago Retail Food Markets
February 24 - March 1

CHICAGO—Two "amazing" factors emerge from this week's continuing upward prices for most major foods—canned and frozen items including orange concentrate remain steady despite increased consumer demand, and fish prices

Trophy Winners of Junior Bowling Tournament

Trophy winners of the Elementary and High School Christmas Bowling Tournament sponsored by the Antioch Moose lodge in cooperation with the Antioch Recreation are, left to right, first row — Loren Lewis, Leslie Miller, Joel Matusek, Tom Anderson; second row — Merry Keulman, James Keegan, Kay Knigge; Nancy Lindblad. At the right is Lester Nelson, governor of the Moose lodge, who presented the trophies.

and supplies are hard to pinpoint marketwise amidst conflicting reports.

Marketeers explain the steady processed food prices as a result of record high storage stocks, retail outlets taking this opportunity to work off inventories without price penalties as consumers shift buying emphasis from costly fresh lines. Only heavily stocked orange concentrate has risen sharply from "depression" level prices.

Conflicting reports from the departments of Agriculture and Interior, which report cooperatively on fish, tend to be confusing. Despite some locally published reports to the contrary, general supplies for Lent are scarcer and higher priced than a year ago.

There are the observations of the weekly University of Illinois consumer service survey of Chi-

cago-area wholesale and retail foods—price, available supplies and quality taken into primary consideration.

Of 23 basic items showing on this week's U of I value list, fish are conspicuous by their absence except canned tuna and salmon in grocery lines. Poultry ranks as a continuing consumer advantage based on strict market situations, turkey, fryers and stewing hens in that order. Other relative meat values are beef steaks, rib roasts, lamb shoulder roasts. Dairy values are dominated by cheddar, munster and Swiss cheese. Asparagus, green beans and strawberries head frozen foods. Tuna, salmon, peas and corn are grocery values. Delicious apples, grapefruit, Anjou pears, broccoli, lettuce and the return of cucumbers show on the produce value list.

Adverse weather that hit broad

areas—another Florida cold, heavy rains in Texas and California, cold

and severe snowstorms in central and eastern regions—generally affected the food situation. Another pressure bulge was built under fresh produce prices. Even staple potatoes and onions are higher. Livestock receipts slumped, as did eggs (up another penny) and fresh fish (fishing fleets confined to storm ridden ports.)

Cattle prices reached \$35.50, beef loins backlogging a bit to become the only notably soft spot in this market; hogs topped \$21.65, ham and bacon moving higher in the general advance; lambs showed only the slightest decline to \$25.25. The market is still wondering where the cattle are. With eastern buyers active in heavier weights here, a firm tone is expected to continue on all lines. Full effect of the higher wholesale patterns, however, is not felt immediately at retail which can generally be rated as steady to slightly higher over the levels of recent weeks.

Lenten price concessions can be expected for the dairy lines—notab-

ly cheese and ice cream—against a record high storage situation.

DOUBLE ANTENNAS

One of our customers at ECONOMY TV, on Rte. 173, 1½ miles west of Antioch reflected the thought "two heads are better than one" and hooked-up the roof antenna with a built-in antenna. The results of it proved another old maxim, "too many cooks spoil the broth." Such combinations in connection with TV reception actually give you less signal by causing mis-match.

If better TV reception is wanted, the answer lies in better antenna equipment or in better television set, or both. Phone ANTIOCH 1454 like many of your neighbors do and let us give you an appraisal of your equipment. TAX FACTS

The numerous local government units in Illinois literally surround the taxpayer with government and services, the Taxpayers' Federation of Illinois pointed out today. Illinois' 6510 local governments place it second in the nation; only Nebraska exceeds this number.

Every Illinois taxpayer resides in a county. Likewise, he lives in a 12-grade school district, or in an elementary school district and overlying high or non-high school district.

Counties in turn, have been required to subdivide into township or road districts and to delegate to these units the performance of certain functions. With the exception of a few urban areas, every part of the State is also included within either a township or a road district. Unlike other types of local units, townships or road districts are never cut by county lines.

Besides those levels of government that may be described as "inclusive" because they cover the State completely, there are many other local governments formed to give additional service in selected areas. Cities, villages, and incorporated towns perform governmental services of a general nature in urban areas. On the other hand, special purpose districts, such as Fire Protection Districts, concentrate on the one purpose for which they are created.

There seems to be no restriction on the range of duties which the Legislature may assign to townships in the 85 township organization counties. Nevertheless, only a few types of services are expressly required of all townships. It is their duty to provide general assistance although this obligation was not general before 1931 and has been reassigned at various times to the counties. The most important other township function is the building and maintenance of rural roads and bridges.

Road districts in the 17 commission organization counties can be compared with townships in that they must construct and maintain rural roads and bridges. General assistance, on the other hand in such counties, is administered by the county.

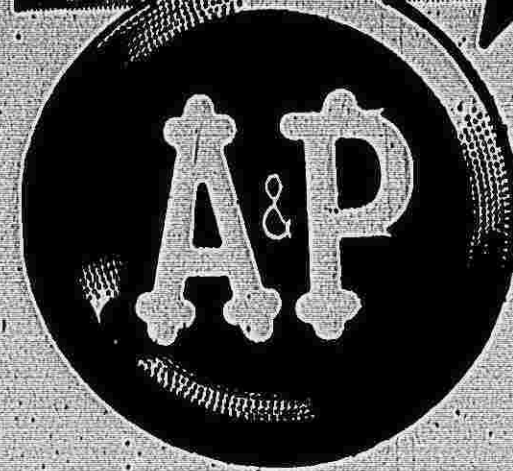

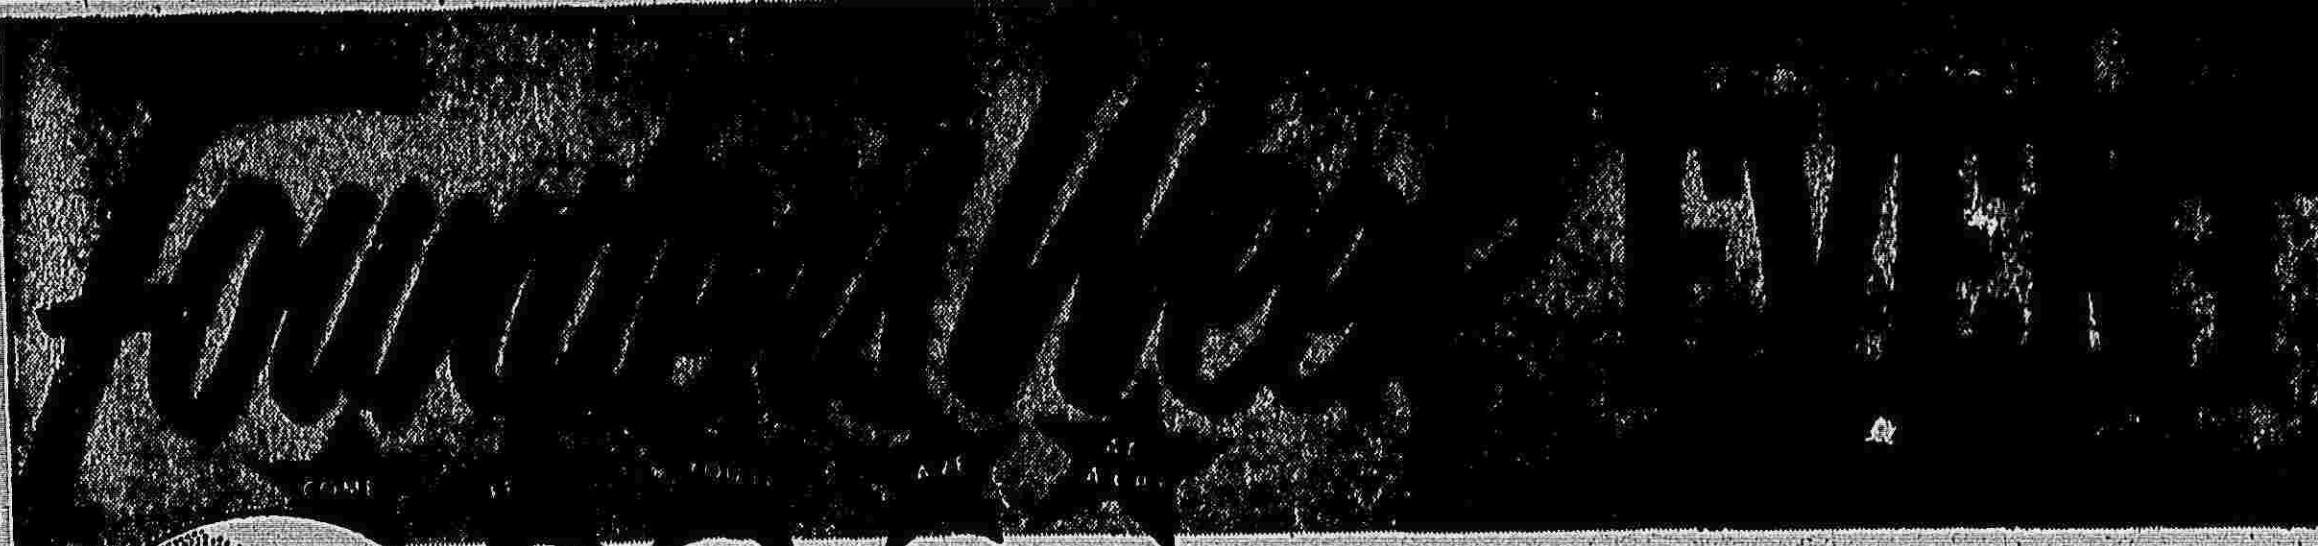

Though local governments are still numerous in Illinois, they are not as abundant as they were in 1944. Chiefly through school consolidations, local governments have been reduced from 15,155 in 1944, to 6,510 in 1957.

A study made in Minnesota shows that only about two per cent of the state's 55,000-plus automobile accidents last year could be attributed to causes beyond the control of drivers—which simply means that the human factor was responsible for 98 per cent.

Northwest Ordinance Created by Washington Gave New States Rights Ere Bill of Rights

The Northwest Ordinance conceived by President George Washington gave to prospective new states like Illinois and Indiana rights that were later incorporated in the Bill of Rights of the Constitution, Rep. Robert Coulson told an audience at the American Legion Home last Thursday.

In this ordinance slavery was outlawed as a condition for admission as a state, and equal rights was a must.

Rep. Coulson said that few people are aware that the Northwest Ordinance exists and what it contains.

Coulson's address was on President Washington and his great contribution to his country. He noted that Washington's peers, all men of great intellect and ability, unanimously chose Washington as the first president.

As another portion of the program Arthur E. Jackson, for many years connected with the American Red Cross, showed pictures of the different services of the Red Cross besides that in times of disaster.

He said that people just hear of the immediate relief given during disasters but never hear of the three months or more of work of the Red Cross in getting homes for the victims and reestablishing them in the houses with furniture and clothing.

He said that adverse criticism of the Red Cross is usually unfounded and untrue. He said that the greatest harm was done the Red Cross during the war when a shipment of cigarettes destined for the Red Cross, went to a canteen, and those destined for the canteen sent to the Red Cross. As a matter of expediency the shipment was kept and distributed, and the result was that those who bought those stamped Red Cross at the canteen, got the impression that they were being charged for free cigarettes, when the canteen was duly billed for them by the cigarette company.

"The Red Cross never charged anyone for services or materials provided them," Jackson maintained. The meeting was attended by members of the Legion, guests, and members of the Auxiliary. The Auxiliary served refreshments.

Irregular Beat Of Heart Doesn't Mean Sure Death

CHICAGO—The irregular beating of a person's heart at frequent intervals—or even constantly—doesn't mean he's going to have a heart attack and die.

In fact, one New Yorker's heart beat irregularly for 38 years before he suddenly died at the age of 94, "having been most active until the very last moment," a New York doctor reported today.

He was suffering from auricular fibrillation, which is a convulsive movement of the upper chambers of the heart. His was the familial type.

He was one of 22 members of the same family, all of whom had auricular fibrillation. The family's history, covering 36 years and 113 members of five generations, was outlined by Dr. William L. Gould, Albany, N.Y., in the Archives of Internal Medicine, published by the American Medical Association.

The first two cases occurred in a stepbrother and a stepsister. Eight members of the second generation who lived to the sixth decade or beyond all developed auricular fibrillation. In the third generation, 11 cases have already developed and more may appear from time to time, Dr. Gould said.

Only one case has appeared in the fourth generation—in a 32-year-old man, who is the youngest one to have the condition. So far the fifth generation is too young to show signs of the disorder.

The usual symptoms of paroxysmal auricular fibrillation are palpitation, irregular beat, "the heart in the mouth" feeling, weakness, dizziness, faintness, and cold sweat. They present many problems of diagnosis, since they usually disappear before a doctor can arrive and make a diagnosis.

Many Voters Ineligible To Vote Because of Failure to Register

Many voters won't be eligible to vote April 8 because they forgot to register, Otto Steffey, president of the Illinois Agricultural Association, reminded citizens today.

"In the stress of today's space age, it's easy to forget one very important responsibility—to keep eligible to vote," continued the Illinois Farm Bureau leader.

There are several groups of people who must register by the March 10 deadline to be eligible for this year's primary election.

They include persons who are eligible to vote but have never registered; voters who have changed their names; voters who have become naturalized citizens; voters who have moved—even if just to the house next door; voters who will be 21 on or before April 8; and ex-servicemen who became 21 while in service.

You may register at your supervisor's office or at your county clerk's office during the regular working hours at the county courthouse.

For exact information concerning places to register—as well as to find out if you must register—call your county clerk's office.

Secretary of the Navy Mar. 5, 1913. Josephus Daniels took office as

Farmers Rely On Outside Earnings

NEW YORK—Over a third of the income of the nation's farm operators and their families is now coming from sources entirely outside of agriculture, reflecting a long-term shift in major sources of farm income and a progressively lessening dependence on farming itself as the predominant source of livelihood.

The chief factor in this trend has been the big growth of non-farm job opportunities as the result of the expansion of the economy over the last decade and a half, but an appreciable and growing income is being contributed by a return on savings and by public and private retirement benefits, annuities, etc.

A special survey made by the U.S. Department of Agriculture in cooperation with the Bureau of the Census shows that farm operator families had an aggregate non-farm income of \$6.9 billions in 1955 out of a total income of 19.3 billions in that year. Thus nonagricultural income represented 36 cents of every dollar of income of farm operators and their families in 1955.

20 Years Added To Lifespan Since 1900

NEW YORK—About 20 years have been added to the average lifetime of the American people since the turn of the century, according to statisticians. The expectation of life at birth on a nationwide basis has increased to 69½ years.

Figures from the National Office of Vital Statistics indicate that the chances for a white man of age 20 surviving to age 65 increased from 514 to 688 per 1,000 between 1900-02 and 1955.

At the same time, more than three-fourths of the men aged 50 may now expect to reach the normal retirement age of 65. The expected lifetime of those reaching 65 also has been extended somewhat, the chances of living to age 75 having increased from 545 to 605 per 1,000.

One Dominant

CHICAGO—Just as we are right-handed or left-handed, most of us are either right-eyed or left-eyed. Figures show that in 60 per cent of the people, the right eye dominates the vision. The left eye takes over in 25 per cent of the cases. The remaining 15 per cent alternate.

THIS WEEK'S U of I MARKET BUY

Poultry meats still provide consumer advantages. Weather conditions continue to build price pressures under produce, fish and eggs. Dairy products—cheese and ice cream—particularly are at record high storage levels. Expect Lenten price concessions for these products. Cured pork items, led by ham and bacon, quote higher.

CHICAGO'S BETTER FOOD VALUES

Meats: Turkey—Fryers—Selling hens—Beef steaks—Rib roasts—Lamb shoulder roasts.
Dairy: Cheddar—Munster—Swiss.
Frozen Foods: Asparagus—Green Beans—Strawberries.
Groceries: Tuna—Salmon—Peanut—Corn.

Warmer Weather Returns

The back of winter was broken last Thursday when for the first time in many days the mercury failed to go below zero. Thawing temperatures appeared and the snow is rapidly disappearing. Spring is but three weeks away.

A U. S. News and World Report article points out that sales of foreign-made cars, most of which are small economical models, are rolling right along in this country. The 1958 total is expected to be 400,000 as against a mere 34,500 in 1954. Volkswagen still leads by a big margin, followed by Renault.

and led at the quarter 13 to 10. At the half it was 29-21. Then the Scouts began closing the gap and at the third quarter the score was still 43-40, Antioch.

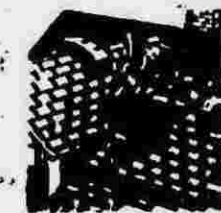

The fourth quarter was nip and tuck, with the lead changing twice. With 40 seconds remaining and Antioch leading 49 to 47, Art Hanke scored a field goal and a free throw which in spite of a Scout goal, was enough to win the game.

The decisive factor in this game was the rebounding of Wayne Herbst, Hanke and Jerry Dittmer who controlled both boards. The floor play of Dick Behrens was also outstanding. Hanke was high man for Antioch with 20 points and continued as second high individual scorer in the conference. Roger Keene was high man for the Scouts with 15 points.
